

### **Our CME Commitment**

This Continuing Medical Education Calendar is designed to give you accurate information regarding all **AMA PRA Category 1 Credit™** CME programs sponsored by Forum Health – Western Reserve Care System (WRCS). It is our intention to provide quality CME programs directed to our regional physicians. All physicians are invited to attend.

Topics for presentation are determined by committees, needs assessment, and quality assurance issues. We welcome any input you may have for future CME programs. If you have a special need, and/or wish to be placed on our permanent mailing list, please contact Academic Affairs at 330.884.3574.

### **Accreditation Statement**

Forum Health – Western Reserve Care System is accredited by the Ohio State Medical Association to provide continuing medical education activities for physicians.

### **Designation Statement**

Forum Health – Western Reserve Care System designates these educational activities for **AMA PRA Category 1 Credits™** (for the number of credits indicated for each activity). Each physician should claim only those credits that he or she actually spent in the educational activity.

### **Disclosure Policy**

It is the policy of Forum Health – Western Reserve Care System to ensure balance, independence, objectivity and scientific rigor in all educational programs. All participants in this program are required to disclose any relevant financial relationship(s) they (or spouse/partner) have with a commercial interest that benefits the individual in any financial amount that has occurred within the past 12 months; and the opportunity to affect the content of CME about the products or services of the commercial interest. The Continuing Medical Education Committee will ensure that any conflicts of interest are resolved prior to an activity being presented.

### **Americans with Disabilities Act**

Forum Health – Western Reserve Care System fully complies with its obligations under the Americans with Disabilities Act. If special arrangements are required for an individual with special needs to attend an educational activity, please contact Academic Affairs at (330) 884-3574. Forum Health will make every reasonable accommodation for those attending.

## **REGULARLY SCHEDULED SERIES OBJECTIVES\***

### **Anesthesia M & M Conference**

#### **Current Cases are Discussed**

1. Review anesthesia cases of interest for the purpose of education.
2. Compare techniques used by anesthesia providers for the safety of each patient.
3. Institute changes necessary for exceptional anesthesia give to each patient.

### **CV M & M Conference**

#### **Current Cases are Discussed**

1. Describe clinical conditions of the patients and the pathophysiology of the disease process.
2. Evaluate the appropriateness of the surgical procedure and treatment for complications and critical events in each case according to evidence-based guidelines.
3. Present alternative treatment(s) according to evidence-based guidelines.

### **Internal Medicine M & M Conference**

#### **Current Cases are Discussed**

1. Describe clinical conditions of the patients and the pathophysiology of the disease process from a medical standpoint. Presenters include internal medicine residents and attendings.
2. Critique the mortality or morbidity case in the context of the medical literature.
3. Evaluate the appropriateness of the treatment for complications and critical events.

### **Surgical M & M Conference**

#### **Current Cases are Discussed**

1. Describe clinical conditions of the patients and the pathophysiology of the disease process both from a medical and surgical standpoint. Presenters will include surgical and pathology residents and attendings
2. Evaluate the mortality or morbidity case in the context of the surgical literature
3. Evaluate the appropriateness of the surgical procedure and treatment for complications and critical events in each case

### **Tumor Conference**

#### **Current Cases are Discussed**

1. Describe diagnostic methods
2. Review current management techniques - pathology, radiology, surgery, chemotherapy and radiation therapy
3. Discuss prognosis

September 2, 2010

7:00 a.m.

**Tumor Conference\***

Charles A. Crans, MD, Moderator

General Surgeon (honorary)

Forum Health - Western Reserve Care System

Credits awarded: 1

John Politis, MD Auditorium / Med Ed Bldg.

September 2, 2010

8:00 a.m.

**Surgical M & M Conference\***

Peter M. DeVito, MD, FACS, Moderator

Clinical Assistant Professor of Surgery

Northeastern Ohio Universities College of Medicine

General Surgeon

Forum Health - Western Reserve Care System

Credits awarded: 1

Medical Education Classroom B / Med Ed Bldg.

September 9, 2010

7:00 a.m.

**Tumor Conference\***

Peter M. DeVito, MD, FACS, Moderator

Clinical Assistant Professor of Surgery

Northeastern Ohio Universities College of Medicine

General Surgeon

Forum Health - Western Reserve Care System

Credits awarded: 1

John Politis, MD Auditorium / Med Ed Bldg.

September 9, 2010

8:00 a.m.

**Joint Medicine/Surgery Grand Rounds  
"Patient Safety"**

Jon W. Arnott, MD, CMQ

Internist

Senior Vice President, Quality and Utilization

Management and Academic Affairs

Forum Health - Western Reserve Care System

Credits awarded: 1

John Politis, MD Auditorium / Med Ed Bldg.

OBJECTIVES:

1. Identify patient safety risks.
2. Reduce harm.
3. Improve care.

September 9, 2010

9:00 a.m.

**Surgical M & M Conference\***

Peter M. DeVito, MD, FACS, Moderator

Clinical Assistant Professor of Surgery

Northeastern Ohio Universities College of Medicine

General Surgeon

Forum Health - Western Reserve Care System

Credits awarded: 1

Medical Education Classroom B / Med Ed Bldg.

September 14, 2010

7:00 a.m.

**Cardiovascular M & M Conference\***

Thomas d'Amato, PhD, MD, Moderator

Assistant Professor of Surgery

Northeastern Ohio Universities College of Medicine

Chairman, Department of Cardiovascular Surgery

Forum Health - Western Reserve Care System

Credits awarded: 1

Clayman Room / Northside Medical Center

September 16, 2010

7:00 a.m.

**Tumor Conference\***

Gregg L. Bogen, MD, Moderator

Assistant Professor of Surgery

Northeastern Ohio Universities College of Medicine

General Surgeon

Forum Health - Western Reserve Care System

Credits awarded: 1

John Politis, MD Auditorium / Med Ed Bldg.

September 16, 2010

8:00 a.m.

**Surgical M & M Conference\***

Peter M. DeVito, MD, FACS, Moderator  
Clinical Assistant Professor of Surgery  
Northeastern Ohio Universities College of Medicine  
General Surgeon  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
Medical Education Classroom B / Med Ed Bldg.

September 16, 2010

8:00 a.m.

**Internal Medicine M & M Conference\***

Lawrence S. Goldstein, MD, Moderator  
Associate Professor of Internal Medicine  
Northeastern Ohio Universities College of Medicine  
Chairman, Department of Internal Medicine  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
John Politis, MD Auditorium  
Medical Education and Professional Office Center

September 23, 2010

7:00 a.m.

**Tumor Conference\***

Salim Abou Jaoude, MD, Moderator  
Associate Professor of Internal Medicine  
Northeastern Ohio Universities College of Medicine  
Pulmonologist  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
John Politis, MD Auditorium / Med Ed Bldg.

September 23, 2010

8:00 a.m.

**Surgical M & M Conference\***

Peter M. DeVito, MD, FACS, Moderator  
Clinical Assistant Professor of Surgery  
Northeastern Ohio Universities College of Medicine  
General Surgeon  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
Medical Education Classrooms B / Med Ed Bldg.

September 23, 2010

8:00 a.m.

**Internal Medicine Grand Rounds**

**“Minimally Invasive Options for Chronic Back Pain”**

Nagy Mekhail, MD, PhD  
Chairman, Pain Management Department  
Cleveland Clinic  
Credits awarded: 1  
John Politis, MD Auditorium / Med Ed Bldg.

OBJECTIVES:

1. Understand the pathophysiology of chronic low back pain.
2. Recognize the magnitude of back pain as a socioeconomic burden.
3. Realize the volume of novel minimally invasive options for chronic low back pain.
4. Appreciate the importance of proper patient selection for such minimally invasive procedures.

September 28, 2010

7:00 a.m.

**Anesthesia Lecture Series**

**“Airway Management: Current Concepts in the OR”**

James A. Bachmeier, MD  
Anesthesiologist  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
Anesthesia Conf. Room / Northside Medical Center

OBJECTIVES:

1. Discuss management of the unexpected difficult airway.
2. Discuss can ventilate-cannot intubate options and employ appropriate options in practice.
3. Specify appropriate control of airway with obstructive sleep apnea.

September 30, 2010  
7:00 a.m.

**Tumor Conference\***

John J. Turner, MD, Moderator  
Thoracic & Cardiovascular Surgeon (honorary)  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
John Politis, MD Auditorium / Med Ed Bldg.

September 30, 2010  
8:00 a.m.

**Surgical M & M Conference\***

Peter M. DeVito, MD, FACS, Moderator  
Clinical Assistant Professor of Surgery  
Northeastern Ohio Universities College of Medicine  
General Surgeon  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
Medical Education Classroom B / Med Ed Bldg.

October 7, 2010  
7:00 a.m.

**Tumor Conference\***

Eugene Tareshawty, MD, MD, Moderator  
Associate Professor of Internal Medicine  
Northeastern Ohio Universities College of Medicine  
Internist  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
John Politis, MD Auditorium / Med Ed Bldg.

October 7, 2010  
8:00 a.m.

**Surgical M & M Conference\***

Peter M. DeVito, MD, FACS, Moderator  
Clinical Assistant Professor of Surgery  
Northeastern Ohio Universities College of Medicine  
General Surgeon  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
Medical Education Classroom B / Med Ed Bldg.

October 12, 2010  
7:00 a.m.

**Cardiovascular M & M Conference\***

Thomas d'Amato, PhD, MD, Moderator  
Assistant Professor of Surgery  
Northeastern Ohio Universities College of Medicine  
Chairman, Department of Cardiovascular Surgery  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
Clayman Room / Northside Medical Center

October 14, 2010  
7:00 a.m.

**Tumor Conference\***

Lawrence I. Schmetterer, MD, Moderator  
Clinical Associate Professor of Thoracic Surgery  
Northeastern Ohio Universities College of Medicine  
Cardiothoracic Surgeon  
Forum Health - Western Reserve Care System  
Credits awarded: 1  
John Politis, MD Auditorium / Med Ed Bldg.

October 14, 2010  
8:00 a.m.

**Acute Care Symposium**

Credits awarded: 4  
John Politis, MD Auditorium  
Medical Education and Professional Office Center

Topics to include:

“Drug Overdose”  
“Acute Coronary Syndrome”  
“Advances in Respiratory Ventilation”  
“Vascular Emergencies”  
“Electrolyte Abnormalities”  
“Acute Delirium”  
“Transfusion Medicine”

OBJECTIVES:

1. Review the criteria to identify vascular issues and modalities of treatment.
2. Recognize the symptoms of acute coronary syndrome and discuss further interventional management.
3. Discuss the use of non-invasive ventilation and the application to acute respiratory failure.

4. Explain the recognition of acute drug overdose and immediate medical management.
5. Review the most common electrolyte abnormalities in the acute care setting.
6. Describe clinical manifestations of acute delirium and approach to medical management.
7. Review the update on the indication of blood products in the acute care setting.

October 21, 2010

7:00 a.m.

**Tumor Conference\***

Thomas d'Amato, PhD, MD, Moderator  
 Assistant Professor of Surgery  
 Northeastern Ohio Universities College of Medicine  
 Chairman, Department of Cardiovascular Surgery  
 Forum Health - Western Reserve Care System  
 Credits awarded: 1  
 John Politis, MD Auditorium / Med Ed Bldg.

October 21, 2010

8:00 a.m.

**Surgical M & M Conference\***

Peter M. DeVito, MD, FACS, Moderator  
 Clinical Assistant Professor of Surgery  
 Northeastern Ohio Universities College of Medicine  
 General Surgeon  
 Forum Health - Western Reserve Care System  
 Credits awarded: 1  
 Medical Education Classroom B / Med Ed Bldg.

October 21, 2010

8:00 a.m.

**Internal Medicine M & M Conference\***

Lawrence S. Goldstein, MD, Moderator  
 Associate Professor of Internal Medicine  
 Northeastern Ohio Universities College of Medicine  
 Chairman, Department of Internal Medicine  
 Forum Health - Western Reserve Care System  
 Credits awarded: 1  
 John Politis, MD Auditorium / Med Ed Bldg.

October 27, 2010

7:00 a.m.

**Anesthesia M & M Conference\***

Basanta Mohapatra, MD, Moderator  
 Chairman, Department of Anesthesiology  
 Forum Health - Western Reserve Care System  
 Credits awarded: 1  
 Anesthesia Conf. Room / Northside Medical Center

October 28, 2010

7:00 a.m.

**Tumor Conference\***

D. James Smith, MD, Moderator  
 Clinical Associate Professor of Surgery  
 Northeastern Ohio Universities College of Medicine  
 General Surgeon  
 Forum Health - Western Reserve Care System  
 Credits awarded: 1  
 John Politis, MD Auditorium / Med Ed Bldg.

October 27, 2010 – 5 pm – 9 pm

October 28, 2010 – 8 am – 12 pm

**Faculty Development**

**Open to all WRCS & TMH Medical Education**

**Faculty**

**\*\*Registration Required\*\***

Doris Stoll  
 Credits awarded: 8

**OBJECTIVES:**

1. Gain clinical teaching and administrative skills.
2. Enhance faculty teaching ability to share knowledge, skills, and experiences with learners.
3. Review criteria for effective evaluation of learner performance.
4. Apply a systematic framework for identifying learner difficulties.
5. Develop appropriate learning interventions for Challenging learners.
6. Implement essential elements to improve medical education programs.

## *Coming in November...*

### **Evidence-Based Primary Care Update Symposium**

**\*AOA, AAFP and AMA credit will be available.\***

#### **Overview:**

This is a comprehensive program designed for primary care providers, featuring medical updates and management strategies for various disease areas, including cardiology, dermatology, endocrinology, gastroenterology, nephrology, and pulmonary medicine.

#### **Overall objectives:**

1. Discuss new innovations and best practices in primary care practice and apply them to patient care.
2. Enhance diagnostic and clinical decision-making skills consistent with available evidenced based guidelines.
3. Identify current, clinically oriented, evidence-based practice recommendations in specialties such as: cardiology, endocrinology, pulmonary, nephrology, dermatology, and gastroenterology.
4. Describe indications for diagnosis, management and patient referral for clinical scenarios encountered in current practices.

## **ADDITIONAL EDUCATION OPPORTUNITIES**

### **For Nurses, Physicians and Allied Health Professionals**

Forum Health (OH-055, 090112) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

September 7, 2010  
8:00 a.m. – 1:00 p.m.

#### **Basic Cardiac Life Support Certification**

##### OBJECTIVES

Demonstrate emergency care of the patient experiencing respiratory and/or cardiac arrest or airway obstruction

September 10, 2010  
8:00 a.m. – 12:00 p.m.

#### **Basic Cardiac Life Support Instructor Re-Certification**

##### OBJECTIVES

Demonstrate ability to teach participants with emergency care of adult and infants experiencing respiratory and/or cardiac arrest or airway obstruction.

September 13, 2010  
8:00 a.m. – 4:00 p.m.

#### **Neonatal Resuscitation Program Certification**

##### OBJECTIVES

Demonstrate resuscitation measures provided for the neonate with cardiac and/or respiratory distress

Awarded 3.83 contact hours (#1517)

September 14, 2010  
8:00 a.m. – 11:00 a.m.  
1:00 p.m. – 4:00 p.m.

#### **Neonatal Resuscitation Program Re-certification**

##### OBJECTIVES

Demonstrate resuscitation measures provided for the neonate with cardiac and/or respiratory distress

Awarded 3.83 contact hours (#1517)

September 20, 2010  
8:00 a.m. – 2:00 p.m.

#### **Advanced Cardiac Life Support Instructor Re-certification**

##### OBJECTIVES

Demonstrate ability to teach participants with emergency measures necessary for patients with life threatening cardiac rhythm disturbances.

September 21, 2010  
5:00 p.m. – 8:00 p.m.

#### **Basic Cardiac Life Support Instructor Re-Certification**

##### OBJECTIVES

Demonstrate ability to teach participants with emergency care of adult and infants experiencing respiratory and/or cardiac arrest or airway obstruction.

September 24, 2010  
8:00 a.m. – 12:00 p.m.

**Advanced Cardiac Life Support  
Re-certification**

OBJECTIVES

Describe the emergency measures necessary for patients with life threatening cardiac rhythm disturbances

Awarded 4 contact hours (#1508)

October 4, 2010  
8:00 a.m. – 11:00 a.m.  
12:30 p.m. – 3:30 p.m.

**Basic Cardiac Life Support Re-Certification**

OBJECTIVES

Demonstrate emergency care of the patient experiencing respiratory and/or cardiac arrest or airway obstruction

October 8, 2010  
8:00 a.m. – 4:00 p.m.

**Advanced Cardiac Life Support Certification**

OBJECTIVES

Describe the emergency measures necessary for patients with life threatening cardiac rhythm disturbances

Awarded 7 contact hours (#1507)

October 18 & 19, 2010  
8:00 a.m. – 4:00 p.m.

**PALS Full Certification**

OBJECTIVES

Demonstrate emergency care of the infant experiencing respiratory and/or cardiac arrest or airway obstruction.

October 19, 2010  
8:00 a.m. – 4:00 p.m.

**PALS Re-certification**

OBJECTIVES

Demonstrate emergency care of the infant experiencing respiratory and/or cardiac arrest or airway obstruction.

October 19, 2010  
8:00 a.m. – 1:00 p.m.

**Adult / Child / Infant Heartsaver AED Course**

OBJECTIVES

Demonstrate resuscitation measures provided for the adult with cardiac and/or respiratory distress

October 22, 2010  
8:00 a.m. – 2:00 p.m.

**Advanced Cardiac Life Support Instructor  
Re-certification**

OBJECTIVES

Demonstrate ability to teach participants with emergency measures necessary for patients with life threatening cardiac rhythm disturbances.
